Board of Directors Cloverdale Health Care District Cloverdale, California

We have audited the accompanying financial statements of the governmental activities and each major fund of Cloverdale Health Care District as of and for the years ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Cloverdale Health Care District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit. We have audited and express an unqualified opinion on the financial statements of the District for the year ended June 30, 2018 whose report dated September 27, 2018.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whéther due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the minimum audit standard for California Special District. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### . Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Cloverdale Health Care District, as of June 30, 2019 and 2018, and the respective changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 10 and budgetary comparison information on pages 25 through 27 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Cloverdale Health Care District's basic financial statements. The financial and statistical information listed as supplementary information in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The financial and statistical information listed as supplementary information is the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial and statistical information listed as supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

#### **JUNE 30, 2019 AND 2018**

This Management Discussion and Analysis of Cloverdale Health Care District's (District) financial performance provides an overall review of the District's financial activities for the fiscal years ending June 30, 2019 and 2018. The intent of this discussion and analysis is to look at the District's financial performance as a whole. To provide a complete understanding of the District's financial performance, please read it in conjunction with the Independent Auditor's Report on page 1-2, notes to the basic financial statements and the District's financial statements.

The Management's Discussion and Analysis (MD&A) is an element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in their Statement No. 34 Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments issued June 1999. Certain comparative information is required to be presented in the MD&A.

#### FINANCIAL HIGHLIGHTS

- The net position for fiscal years ending June 30, 2019 and 2018 was \$1,078,443 and \$918,435, respectively.
- The net position increased for fiscal years ending June 30, 2019 and 2018 was \$160,008 and \$59,379, respectively.
- Fiscal years 2018-2019 and 2017-2018 General Fund revenues and other uses exceeded expenditures and other sources by \$188,179 and \$65,409, respectively.
- In complying with GASB 34, fixed assets were valued at historical cost. The total of the District's fixed assets, land, site, buildings, and equipment valued on an acquisition cost basis was \$831,232 for June 30, 2019 and \$841,267 for June 30, 2018. After depreciation, the June 30, 2019 and 2018 book value for fixed assets totaled \$384,009 and \$412,180, respectively.

#### OVERVIEW OF THE FINANCIAL STATEMENTS

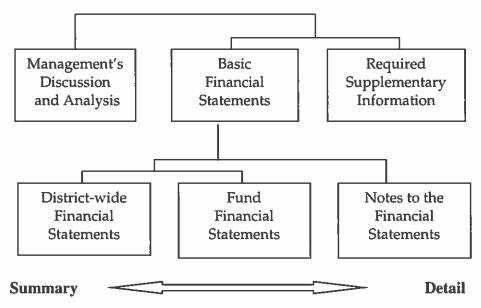

This annual report consists of three parts – management's discussion and analysis (this section), the basic financial statements, and required supplementary information. These statements are organized so the reader can understand the Cloverdale Health Care District as a financial whole, an entire operating entity. The statements then proceed to provide an increasingly detailed look at specific financial activities.

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

**JUNE 30, 2019 AND 2018** 

#### OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

#### **Components of the Financial Section**

The first two statements are district-wide financial statements, the Statement of Net Position and Statement of Activities. These statements provide information about the activities of the whole District, presenting both an aggregate view of the District's finances and a longer-term view of those finances. Fund financial statements provide the next level of detail. For governmental funds, these statements tell how services were financed in the short-term as well as what remains for future spending. A comparison of the District's general fund budget is included.

The financial statements also include notes that explain some of the information in the statements and provide more detailed data. The statements are followed by a section of required supplementary information that further explains and supports the financial statements.

#### Reporting the District as a Whole

Statement of Net Position and the Statement of Activities

These two statements provide information about the District as a whole using accounting methods similar to those used by private-sector companies. The statement of net position includes all of the District's assets and liabilities using the accrual basis of accounting. This basis of accounting takes into accounts all of the current year's revenues and expenses regardless of when cash is received or paid. These statements report information on the District as a whole and its activities in a way that helps answer the question, "How did we do financially during 2018-19?"

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

**JUNE 30, 2019 AND 2018** 

#### OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

#### Reporting the District as a Whole (Concluded)

Statement of Net Position and the Statement of Activities (Continued)

These two statements report the District's net position and changes in the position. This change in net position is important because it tells the reader that, for the District as a whole, the financial position of the District has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Over time, the increases or decreases in the District's net position, as reported in the Statement of Activities, are one indicator of whether its financial health is improving or deteriorating. The relationship between revenues and expenses indicates the District's operating results. However, the District's goal is to provide services to the community, not to generate profits as commercial entities. One must consider many other non-financial factors, such as the quality of services provided to assess the overall health of the District.

- ♦ Increases or decreases in the net position of the District over time are indications of whether its financial position is improving or deteriorating, respectively.
- Additional non-financial factors such as condition of equipment, and changes to the property tax base of the District need to be considered in assessing the overall health of the District.

#### **Reporting the District's Most Significant Funds**

Fund Financial Statements

#### • Governmental Funds

The District's activities are reported in a governmental fund. The major governmental fund of the District is the General Fund. Governmental funds focus on how money flows into and out of the funds and the balances that remain at the end of the year. They are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the District's operations and services that help determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs.

#### JUNE 30, 2019 AND 2018

#### FINANCIAL ANALYSIS OF THE GOVERNMENT-WIDE STATEMENTS

The District as a Whole

The District's net position was \$1,078,443 at June 30, 2019 and \$918,435 at June 30, 2018. Of this amount \$399,112 and \$500,540 was unrestricted for fiscal years ending June 30, 2019 and 2018, respectively. Net investments in capital assets account for fiscal year ending June 30, 2019 is \$384,009 and June 30, 2018 is \$412,180 of the total net position. A comparative analysis of government-wide data is presented in Table 1.

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

**JUNE 30, 2019 AND 2018** 

#### FINANCIAL ANALYSIS OF THE FUND STATEMENTS

The fund financial statements focus on individual parts of the District's operations in more detail than the government-wide statements. The District's individual fund statements provide information on inflows and outflows and balances of expendable resources. The District's Governmental Funds reported a fund balance of \$694,434 at June 30, 2019 and \$506,225 at June 30, 2018, an increase of \$188,179 and \$65,409 for fiscal years ending June 30, 2019 and 2018, respectively.

#### **General Fund Budgetary Highlights**

Over the course of the year, the District reviews the annual operating budget monthly.

The final revised budget for the fiscal year 2019-2018 General Fund reflected a net increase to the ending balance of \$2,539.

The District ended the fiscal year 19-18 increasing \$188,179 to the General Fund ending balance.

The final revised budget for the fiscal year 2017-2018 General Fund reflected a net increase to the ending balance of \$37,248.

The District ended the fiscal year 17-18 increasing \$65,409 to the General Fund ending balance.

#### CAPITAL ASSETS

By the end of the 2018-19 fiscal year, the District had invested \$831,232 in a broad range of capital assets, including administrative buildings, site improvements, vehicles and equipment.

The capital assets net of depreciation is \$384,009 at June 30, 2019, which is a decrease of \$28,171.

By the end of the 2017-18 fiscal year, the District had invested \$841,267 in a broad range of capital assets, including administrative buildings, site improvements, vehicles and equipment.

The capital assets net of depreciation is \$412,180 at June 30, 2018, which is a decrease of \$6,030.

#### FACTORS BEARING ON THE DISTRICT'S FUTURE

The financial well-being of the District is dependent on local property taxes.

Future predictions require management to plan carefully and prudently to provide the resources necessary to meet community needs over the next several years. The District has an excellent track record in meeting this challenge.

#### CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens and taxpayers with a general overview of the District's finances and to show the District's accountability for the money it receives. If you have questions about this report or need additional financial information, please contact Cloverdale Health Care District, P.O. Box 434, Cloverdale, CA 95425.

#### NOTES TO FINANCIAL STATEMENTS

**JUNE 30, 2019 AND 2018** 

### NOTE 1 - NATURE OF ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Nature of Activity

Cloverdale Health Care District (District) provides ambulance service to Cloverdale California. The District is supported primarily from the assessment of special property tax assessments and from charges for ambulance services.

#### **B.** Reporting Entity

The Cloverdale Health Care District (District) includes all funds that are controlled by or dependent on the District's governing board for financial reporting purposes. The District has considered all potential component units in determining how to define the reporting entity, using criteria set forth in generally accepted accounting principles. The District determined that there are no potential component units that meet the criteria for inclusion within the reporting entity.

#### C. Accounting Policies

The accounting policies of the District conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants.

#### **Basis of Presentation**

Government-wide Financial Statements:

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all activities of the District.

The government-wide statements are prepared using the economic resources measurement focus. This is the same approach used in the preparation of the fiduciary fund financial statements but differs from the manner in which governmental fund financial statements are prepared. Governmental fund financial statements, therefore, include reconciliation with brief explanations to better identify the relationship between the government-wide statements and the statements for the governmental funds.

The government-wide statement of activities presents a comparison between direct expenses and program revenues for each function or program of the district's governmental activities. Direct expenses are those that are specifically associated with a service, program, or department and are therefore clearly identifiable to a particular function. The District does not allocate indirect expenses to functions in the statement of activities.

#### NOTES TO FINANCIAL STATEMENTS

**JUNE 30, 2019 AND 2018** 

### NOTE 1 - NATURE OF ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### C. Accounting Policies (Continued)

Basis of Presentation (Continued)

Government-wide Financial Statements (Continued):

Program revenues include charges paid by the recipients of goods or services offered by a program, as well as grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues, which are not classified as program revenues, are presented as general revenues of the District, with certain exceptions. The comparison of direct expenses with program revenues identifies the extent to which each governmental function is self-financing or draws from the general revenues of the District.

#### D. Fund Structure and Basis of Accounting

The accounts of the District are organized on the basis of funds which are considered to be a separate accounting entity. The operations of the fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. District resources are allocated to and accounted for in the fund based upon the purpose for which they are to be spent and the means by which spending activities are controlled. The District's accounts are organized in one category, which includes one fund type as follows:

#### Governmental funds:

General Fund is the primary operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

#### E. Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Government-wide financial statements are prepared using the accrual basis of accounting. Governmental funds use the modified accrual basis of accounting.

#### F. Budgets and Budgetary Accounting

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all governmental funds. By state law, the District's governing board must adopt a final budget no later than July 1. A public hearing must be conducted to receive comments prior to adoption. The District's governing board satisfied these requirements.

#### NOTES TO FINANCIAL STATEMENTS

**JUNE 30, 2019 AND 2018** 

### NOTE 1 - NATURE OF ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### F. Budgets and Budgetary Accounting (Continued)

These budgets are revised by the District's Board of Directors and District Manager during the year to give consideration to unanticipated income and expenditures. The original and final revised budgets are presented for the General Fund as required supplementary information in the financial statements.

#### G. Property Tax

Secured property taxes attach as an enforceable lien on property as of March 1. Taxes are payable in two installments on November 1 and February 1 and become delinquent if not paid by December 10 and April 10. Unsecured property taxes are payable in one installment on or before August 31. The County of Sonoma bills and collects the taxes for the District. Tax revenues are recognized by the District when received. The property tax receivable as of June 30, 2019 and 2018 \$4,699 and \$9,099, respectively.

#### H. Assets, Liabilities and Equity

#### 1. Capital Assets

Capital assets purchased or acquired with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over an estimated useful life of 5-50 years depending on the asset class.

#### 2. Net Position

In the government-wide financial statements, net position is classified in the following categories:

Net Investment in Capital Assets - This amount consists of capital assets net of accumulated depreciation and reduced by outstanding debt that attributed to the acquisition, construction, or improvement of the position.

Restricted Net Position - This amount is restricted by external creditors, grantors, contributors, laws or regulations of other governments.

Unrestricted Net Position - This amount is all net Positions that do not meet the definition of "net investment in capital assets" or "restricted net position".

### NOTE 1- NATURE OF ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### H. Assets, Liabilities and Equity (Continued)

#### 3. <u>Use of Restricted/Unrestricted Net Position</u>

When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the District's policy is to apply restricted net position first.

#### 4. Fund Balances

The District has implemented GASB 54, establishing a five-tier fund balance classification hierarchy that depicts the extent the District is bound by spending constraints imposed on the use of its resources:

Nonspendable Fund Balance - Includes the portions of fund balance not appropriable for expenditures.

<u>Restricted Fund Balance</u> - Includes amounts subject to externally imposed and legally enforceable constraints. The District Governing Board has restricted final balance to accumulate resources for future ambulance replacement.

<u>Committed Fund Balance</u> - Includes amounts subject to District constraints self-imposed by formal action of the District Governing Board.

<u>Assigned Fund Balance</u> - Includes amounts the District intends to use for a specific purpose. Assignments may be established by the District Governing Board, or the Director of Business Services of the District.

<u>Unassigned Fund Balance</u> - Includes the residual balance that has not been assigned to other funds and is not restricted, committed, or assigned to specific purposes.

The District is committed to maintaining a prudent level of financial resources to protect against the need to reduce service levels because of temporary revenue shortfalls or unpredicted expenditures. For purposes of fund balance classification, expenditures are to be spent from restricted fund balance first and then unrestricted. Expenditures incurred in the unrestricted fund balances shall be reduced first from the committed fund balance, then from the assigned fund balance and lastly, the unassigned fund balance.

#### NOTES TO FINANCIAL STATEMENTS

#### **JUNE 30, 2019 AND 2018**

#### **NOTE 2-CASH**

The District maintains cash balances at one financial institution in Cloverdale, California. The accounts at this institution are insured up to \$250,000 by the Federal Depository Insurance Corporation. The balances in the District's accounts exceeded the insured amount at certain times during the year. At June 30, 2019 and 2018, the District's uninsured cash balances total \$-0- and \$102,408, respectively. The District has not experienced any losses in these accounts.

#### NOTE 3- ACCOUNTS RECEIVABLE AND AMBULANCE REVENUE

Accounts receivable represent uncollected billings for ambulance revenue (net of contractual adjustments) for the current year. Provision for bad debts is expressed as a percentage of gross revenue, ambulance services. For the year ended June 30, 2019 and 2018, the Manager estimates this percentage to be 3.2%, and the Allowance for Doubtful Accounts has been adjusted accordingly.

The District's accounts receivable consists of the following:

|   | 2019                  | 2018                  |  |  |
|---|-----------------------|-----------------------|--|--|
| Accounts receivable Less: Allowance for doubtful accounts | \$ 130,573<br>(4,178) | \$ 105,311<br>(3,279) |  |  |
| Net accounts receivable                                   | \$ 126,395            | \$ 102,032            |  |  |

#### **NOTE 4-PROPERTY AND EQUIPMENT**

Property and equipment are summarized by major classifications as follows:

|                                | 2019       | 2018       |
|--------------------------------|------------|------------|
| Land                           | \$ 17,789  | \$ 17,789  |

| Less accumulated depreciation  | (447,223)  | (429,087)  |
| Total                          | \$ 384,009 | \$ 412,180 |

#### NOTES TO FINANCIAL STATEMENTS

**JUNE 30, 2019 AND 2018** 

#### NOTE 4- PROPERTY AND EQUIPMENT (CONTINUED)

Property and equipment are stated at cost. Expenditures for maintenance and repairs are charged against operations. Renewals and betterments that materially extend the life of the assets are capitalized. Depreciation is computed for financial statement purposes on a straight-line basis over the estimated useful lives of the related assets. The estimated useful lives of depreciable assets are as follows:

|                                | Useful Lives |
|--------------------------------|--------------|
| Buildings and improvements     | 50 years     |
| Ambulance and equipment        | 10 years     |
| Office furniture and equipment | 10 years     |

For 2019 and 2018, depreciation amounted to \$27,084 and \$27,635, respectively.

#### NOTE 5-USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **NOTE 6-RISK MANAGEMENT**

The District is exposed to various risk of loss related to torts, theft, damage or destruction of assets, errors and omissions, injuries to employees, and natural disasters. During fiscal year ended June 30, 2019, the District purchased commercial insurance to cover general liabilities. There were no significant reductions in coverage in the past fiscal year and there were no settlements exceeding insurance coverage for any of the past three fiscal years.

#### **NOTE 7-SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 14, 2019, the date on which the financial statements were available to be issued.

#### NOTES TO REQUIRED SUPPLEMENTARY INFORMATION

#### FOR THE FISCAL YEAR ENDED JUNE 30, 2019 AND 2019

#### NOTE 1- PURPOSE OF SCHEDULES

#### A. Budgetary Comparison Schedule

The District employs budget control by object codes and by individual appropriation accounts. Budgets are prepared on the modified accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board. The budgets are revised during the year by the Board of Trustees to provide for revised priorities. Expenditures cannot legally exceed appropriations by major object code. The originally adopted and final revised budgets for the General Fund are presented as Required Supplementary Information. The basis of budgeting is the same as GAAP.

#### CLOVERDALE, CALIFORNIA

**JUNE 30, 2019** 

#### **ORGANIZATION**

The District was formed November 6, 1962 upon voter approval during a regular election to provide ambulance service to an area approximately the same as the Cloverdale Unified School District. Effective July 1, 1993, the District received revenue from the Assessment of a special property tax of \$18 on parcels within the District. On April 10, 1995, the District's Board of Directors passed Resolution No. 95-4, changing the name "Cloverdale Hospital District" to "Cloverdale Health Care District" pursuant to Health and Safety Code Section 32137. Effective July 1, 2006, the District parcel tax increased to \$36.
